

“THIS IS THE KAIROS...”

RESOURCES FOR ISRAEL-PALESTINE EDUCATION AND ADVOCACY

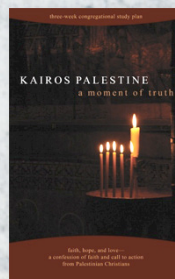

"This is the kairos, the moment of grace and opportunity, when God issues a challenge for decisive action."

Kairos South Africa, 1985, Challenge to the Church

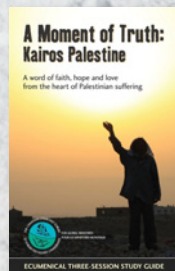

Kairos Palestine: A Moment of Truth, also called **The Kairos Palestine Document** is the "Letter from a Birmingham Jail" of our time. This confession of faith and call to action, published in 2009 by a broad spectrum of Palestinian Christian leaders, is addressed to Palestinians, Israelis, the international community--as well as all the churches of the world. It lifts up the Christian virtues of faith, hope, and love that lie at the heart of the Gospel and affirms that resistance to injustice and oppression is firmly grounded in these principles. It is both an anguished cry in a dark hour and a profound testament to unquenchable hope.
